For the creative schemer, house dreamer.
It's possible to become **Mortgage Free!**

"Rob Roy challenges another of life's 'givens' -that your mortgage, like your job, will last almost as long as you do. This useful book will entertain even armchair explorers of alternatives to the standard consumer life."

-Vicki Robin, coauthor of *Your Money or Your Life*

Home loans, foreclosures, debt, unrealistic payments, headaches, stress, and hardship. No one said it would be easy, but should the satisfaction of owning your home come at such a high price? Rob Roy is here to tell us that living free of mortgage payments is possible and realistic. In this 2nd edition book, he offers resources, strategies, and stories meant to inspire and strengthen the pursuit towards owning your land and home, free and clear, without the bank. Readers can begin by:

- clarifying and simplifying notions of what's necessary
- finding land you love and can afford
- taking control of the house-building process
- learning to take a long-term perspective on economic decisions to avoid debt

Rob Roy takes his story and combines it with the story of others around the US. Revealing that building your own home and planning your financial future is critical and achievable in today's housing market. His instructions and strategies will help any house dreamer achieve mortgage freedom.

"Yes! It's about time somebody put together a how-to book for shedding those chains of a 30-year mortgage. We don't have to slump through life in bondage. We can live well AND have our freedom, and Rob Roy shows us how in this entertaining, detailed, and well-illustrated book."

-Janet Luhrs, author of *The Simple Living Guide*

Rob Roy knows what it means to live mortgage free. As director of Earthwood Building School since 1981, he has instructed many in the arts of natural building, and renewable energy. He is also the author of *Earth-Sheltered Houses*, *Cordwood Building*, *Timber Framing for the Rest of Us*, *The Sauna*, and *Stone Circles*. Rob and his family live in West Chazy, NY.
